TEL. 225800. 235800-9 TELEX: 62168 UNISONG TH

MEMORANDUM OF UNDERSTANDING

Between

The Prince of Songkla University with main offices in Hat Yai, Thailand, represented herein by its President, Dr. Phasook Kullavanij hereinafter referred to as PSU;

- and -

The International Center for Living Aquatic Resources Management, and international non-profit fisheries research center with main offices in Makati, Metro Manila, Philippines, represented herein by its Director General, Dr. Ian R. Smith hereinafter referred to as ICLARM.

WITNESSETH:

WHEREAS, PSU and ICLARM share common interests in pursuing programs, projects and activities relative to fisheries and aquaculture research, training and information dissemination;

WHEREAS, PSU and ICLARM have capacities that would enable them to collaborate productively toward building up national research capabilities to address important issues concerning the management and development of aquaculture and fisheries in Thailand;

NOW THEREFORE, for and in consideration of the above premises, the parties hereto consider it to be their mutual interest to collaborate in the planning, implementation and review of projects, programs and activities relevant to the management and development of fisheries and aquaculture in Thailand.

This Collaboration shall take effect upon approvals indicated below, subject to availability of funds and other resources.

IN WITNESS WHEREOF, the Parties hereunto sign the Memorandum.
