

Memorandum of Understanding
between
Prince of Songkla University, Hat Yai, Thailand
and
The Faculty of Formal and Natural Sciences,
University of Vienna, Austria

This contract is to support on a mutual basis the exchange of scientists between Prince of Songkla University (PSU) (Faculty of Natural Resources and Faculty of Science), and the Faculty of Formal and Natural Sciences (FFNS), University of Vienna. The following activities will get financial support, point 1-3 from the hosting university, point 4 from delegation university within the constraints of the annual budget:

1. Local expenses (accommodation, living allowance) for short visits to plan joint research activities (up to 1 week).
2. Local expenses (accommodation, living allowance) to participate in training courses, excursions and technical training (up to 8 weeks)
* (1+2 = 3 man-month/year)
3. Prince of Songkla University and the Faculty of Formal and Natural Sciences, University of Vienna will try to raise funds (grants) to support joint research projects over longer periods.
4. Prince of Songkla University and the Faculty of Formal and Natural Sciences, University of Vienna are willing to support travel expenses for scientists who are visiting Austria/Thailand in the framework of this contract. (maximum 3 scientists a year)
5. To apply for financial support in the framework of this contract a written invitation of the head of an institute is needed. This invitation has to describe briefly the purpose of the visit. Lab space and operational costs should be granted to the applicant by the host institution.
6. Applications in English are to be sent to Prince of Songkla University, Hat Yai 90110, Thailand and Dean of the Faculty of Formal and Natural Sciences, University of Vienna, Dr. Karl Lueger-Ring 1, A1010 Vienna, Austria. There is the possibility to extend this agreement to include other schools and faculties at Prince of Songkla University.
7. Throughout the year applications are approved within the constraints of the budget by Prince of Songkla University and the Dean of the Faculty of Formal and Natural Sciences, University of Vienna.

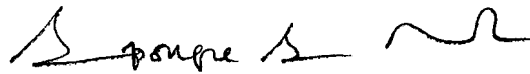

8. This Agreement shall be renewable every three years by mutual consent of Prince of Songkla University and the Dean of the Faculty of Formal and Natural Sciences, University of Vienna. Both parties agree that neither party will prematurely terminate this agreement without full consultation with the other party.
9. Both parties agree to exchange report written by the visiting and inviting scientist.
